Please help. I have a usb stick with a serial number on it. A: After some trial and error i found a way to get a serial number using an older omron program. If you go into the folder (and extract it) you will see a program called usbstick.exe. Open this using notepad and you will see some of the information you need. Editor's note: The serial number in this post has been redacted to protect the innocent. United States Court of Appeals Fifth Circuit F I L E D IN THE UNITED STATES COURT OF APPEALS FOR THE FIFTH CIRCUIT July 20, 2005 Charles R. Fulbruge III Clerk
